No.NE.PR.143/62-63

6th March 1963.

To

The Secretary to Government,
Forest Department, 'Vidhana Soudha',
Bangalore.

Sir,

Sub:- Release of forest lands for cultivation.

Ref:- Inspection of Forest lands by the Three Man Committee on 20-12-62 and 12-2-63.

--

In enclosing herewith the copies of proceedings of the Three Man Committee inspections dated 20-12-62 and 12-2-63. I write to state that the Committee has inspected the several lands on the said dates and agreed to release the marginally* noted areas for cultivation. I request you kindly to obtain the orders of Government approving the proceedings and communicate the same early.

Yours faithfully,

(S.Obeidullah)
Special Officer for Rehabilitation, Shimoga.

PROCEEDINGS OF THE THREE-MAN COMMITTEE INSPECTIONS IN SHIMOGA DIVISION HELD ON 20-12-1962.

--

PRESENT.

1) Sri Y.M.L. Sharma, M.Sc., A.I.F.C.,
Conservator of Forests, Shimoga.

2) Sri H.L.Nage Gowda, B.Sc., LL.B.,
Deputy Commissioner, Shimoga.

3) Sri S.Obeidullah, M.A., B.L.,
Special Officer for Rehabilitation
& Irrigation Development in T.B.& S.
Projects, Shimoga.

--

The following areas were inspected and decisions taken:

I.	1. S.No.7 of Maleshankar	-	90 acres.
	2. S.No.17 of -do-	-	10 "
	3. S.No.20 of Manjarikoppa	-	32 "
	4. S.No.37 of -do-	-	18 "
		Total:	150 acres.

This area of 150 acres is situated adjacent to the private lands around Maleshankar temple where a channel is also being formed by the Public Works Department. The standing growth is not heavy excepting for a few dense big bamboo clumps and the crop does not consist of any high density of reserved trees. It is also low lying and it was therefore agreed to release this 150 acres for the expropriated ryots.

II. Inspected the area in S.No.1 in Maleshankar in Shankar State Forest.

The total area is 50 acres. Out of this 50 acres, 13 acres are to the left of ~~mk~~ the road and 37 acres are to the right of the road to Managere. It was represented by the District Forest Officer that this entire area was required to raise a nursery. In the 37 acre plot to the right of the road, a few expropriated ryots have already been settled. It was agreed to release this 37 acres to the expropriated ryots. In view of the large scale afforestation and nursery programme that the Forest Department has undertaken during the year and also as this area is lying adjacent to the perennial source of water, it was considered that this 13 acre plot was necessary to the Forest Department to raise a wet nursery. It was therefore decided not to release this 13 acre plot of the Forest Department and the arrangements already made for the establishment of a nursery may be continued. This 37 acre plot now agreed to be released consists of 20 acres in S.No.32 of Kudi village, 8 acres in S.No.84 of Tavarekoppa and 9 acres in S.No.9 of Tammadihalli.

III. Inspected another plot of 100 acres in S.No.1 of Maleshankar.

The area is situated below the perennial stream very near the area already released in S.No.1. It was agreed to release it for cultivation. The standing growth does not contain any of the reserved species to the extent warranting its continuance under the Forest Department.

...2

IV.	Inspected Hanagere State Forest	S.No.7	- 6 acres.
	" Kalkuchi.	S.No.1	- 42 acres
	" Maleshankar	S.No.1	- 2 acres.
		Total:	50 acres.

On careful inspection, it was noticed that the area which is required consisted of only narrow tongues inside the State Forest and excludes small belts of forest area in between these tongues and consequently it was decided not to release this area for cultivation.

V. Inspected S.No.1 of Purudhal State Forest - 19 acres.

Since the area is adjacent to the already released area, it was agreed to release this area of 19 acres as the standing growth is more or less of scrub type and does not contain much of the reserved kind timber; but contains flowered bamboo.

VI. Inspected S.No.55 and 56 of Chennehahally - 40 acres.

On careful exmaination of the map, this 40 acre plot which starts from one end of the demarcation line if released would result in cutting the Purudhal State Forest gradually into two halves and therefore it was agreed that it need not be released and consequent on this decision, the spot was not inspected.

Sd/-(H.L.Nage Gowda),
Deputy Commissioner,

Sd/-(Y.M.L.Sharma),
Conservator of Forests.

Sd/-(S.Obeidullah),
Special Officer for Rehabilitation,

Proceedings of the Three-Man Committee Inspections held on 12-2-1963.

—

PRESENT.-

1) Sri Y.M.L. Sharma, M.Sc., A.I.F.C.,
Conservator of Forests,
Shimoga Circle, Shimoga.

2) Sri H.L.Nage Gowda, B.Sc., LL.B.,
Deputy Commissioner,
Shimoga District, Shimoga.

3) Sri S.Obeidulla, M.A., LL.B.,
Special Officer for Rehabilitation
in Tunga, Bhadra & Sharavathy
Valley Projects,
Shimoga.

—

The undermentioned lands were inspected and decisions taken.

(1) S.No.16. Sudur (140 acres).

The area of 140 acres situated adjacent to the land already released was inspected. Due to its situation, only flowered bamboo undergrowth with sparse tree growth like a few immature bite trees, it was decided to release the area for settling the expropriated ryots. The area is also likely to become irrigable by putting up a pick up and restoration of channel.

(2) S.No.31. Basavapura (67 acres).

The area of 67 acres is divided into 3 bits. It was decided to release the 30 acres bit behind the Guards' barracks and adjacent to the Railway line as the area is situated between the Kumudwati river and Railway line and low lying. It was also decided to release an extent of 22 acres adjacent to the area already released in past between the river and the Railway line. But the area of 15 acres lying between the plantations of teak and the Railway line was rejected as it was not considered appropriate for release due to its proximity to the departmental plantations.

(3) S.No.136. Benavalli (25 acres).

The area is situated adjacent to the cultivated area outside the State Forest and includes 7 acres and 15 guntas of unauthorised cultivation which case has been convicted in Court. This is in Barve State Forest. It was agreed to release this area of 25 acres as it does not contain any good growth timber trees.

(4) S.No.47. Bidarahalli(64 acres).

The area lies adjacent to hiduvali in Kumudwati State Forest, along the D' line. 40 acres are situated in State Forest, and 24 acres in District Forest. Except few kavalu and stunted Matti trees, there is not any good forest crop. It was agreed to release the area.

...2

(5) S.No.25 3 & 7 of Hiremathi (25 acres).

The area is adjacent to Hiduvali lands in Haridrawati State Forest, in four bits. Out of 25 acres it was agreed to release only 21 acres and exclude 4 acres encroached for which the Forest Department may take action to evict.
